

# PATHFINDING OUTFITTERS

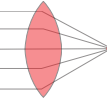

## How might we...

Look at your idea or plan through each of these lenses and note possible ways to offer even more of the benefits that each lens brings to your attention.

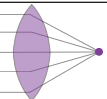

**COMMUNITY**

...increase our knowledge of & personal connections to opportunities to participate in & contribute to improving neighborhood & community life.

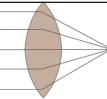

**VALUED ROLES**

...establish & safeguard roles that attract respect, express gifts & capacities, & encourage development.

**RELATIONSHIPS**

...strengthen existing relationships, organize mutual support, & diversify personal networks

**POWER-WITH**

...respect & actively support autonomy & self-organization through deep listening, dismantling structures & habits that promote inequality, & intentionally organizing individualized support for decision making.

RESILIENCE

...mindfully consider risks & vulnerabilities specific to this initiative, identify protective factors, & establish the conditions that will support & develop individual & group resilience.

COMMITMENT

...intentionally connect with the sense of highest purpose in all those involved; call to each person's gifts & passion.

INNER  
JOURNEY

...make space & time & establish ways to sense what more is possible, let go of judgment, cynicism & fear enough to be touched by the future that wants to be born, & prototype to learn ways to bring that future into being.
